Rebstock Restaurant - © Restaurant Rebstock

The charming and historic Hotel Rebstock is located at the foot of the Hofkirche, right in the centre of Lucerne. The ideal starting point for discovering Lucerne, the city of lights, on foot.

The Rebstock's cuisine is creative, traditional, seasonal. Located at the foot of the imposing Church of St. Leodegar, the restaurant exudes exceptional charm. It is no coincidence that the restaurant is adjacent to the church: in the Middle Ages, when the church was surrounded by a handsome monastery, a small house stood where the Rebstock is now situated – it was where the monastery's winegrower lived.
