

Restaurant Schützenmatt

The Schützenmatt restaurant is located right next to the Uri Theatre. The restaurant is equally popular for a business lunch or a cosy dinner.

The small dining room is bright and friendly and you can linger for a long time on the garden terrace.

Traditional and varied cuisine

The dishes are traditional and creative and always beautifully presented. Great emphasis is placed on regional and seasonal cuisine as well as the respectful preparation of the selected products. The menus offer the right dish for every taste - regardless of whether you have a big or small appetite. Restaurant Schützenmatt was awarded 12 Gault Millau points at the end of 2019

A project of the SRC

Like Restaurant Fomaz, the restaurant is a project of the Swiss Red Cross (SRC). People from different countries work here and can complete an apprenticeship in the kitchen or service. The international influences can also be found on the menu.
