

Transit

The Transit, at Altdorf railway station, is a place to take a deep breath, reflect on your thoughts, enjoy, be distracted, dream. A place to pause for a moment - before the journey continues.

Bistro - Uri at the table

"We can't stop time, but we can pause at any time." True to this motto, the bistro with its cosy and modern furnishings invites you to linger. Treat yourself to a little relaxation with a fine coffee from the hand-operated coffee machine and a treat from the bar. Fortify yourself for the day with a hearty breakfast. Satisfy your appetite with hot snacks such as tarte flambée, a crispy paillasse topped with cheese or the Uri fish gratin with trout from the Baumann brothers. At lunchtime you can also choose from a daily changing menu. Coffee and tea specialities, soft and hard drinks as well as beer and wine round off the offer.

Beck-Away - Uri on the go

A counter full of options for commuters in a hurry. Delicious cob coffee, soothing tea specialities, sweet drinks and a varied culinary offering await you here - to go, of course! Sandwiches, soup creations and salads, plus crispy bread, heavenly croissants or savoury rolls. Discover the monthly changing delicacies - from speciality breads to sweet temptations. Whether you're on your way to work or on your way home, the seasonal offerings will keep you energised throughout the day.

Market - Uri in a bag

The wide range of products from Uri producers and vendors make the market an experience for all the senses. From fine wines such as the Ur-Wy from Altdorf from the Schuler-Hardegger family or the Federweisser Bannerwein to high-proof spirits such as the Urbrand absinthe or the award-winning Tells Apfel from Z'Graggen to the numerous types of beer from Stiär Biär or AnderThaler. But that's not all: whether it's meat, cheese, Ürner Hüsgmachts, roasted coffee from Altdorf, flowers, wellness products or handicrafts - treat yourself to something good or surprise your loved ones with a little something. Stroll through the market and be inspired by the local variety!
