

HERMITAGE Lake Lucerne

swisshotel

Situated on the shores of Lake Lucerne, HERMITAGE Lucerne stands alone, but is still very close to the busy centre of Lucerne. All the rooms, restaurants and function rooms look out onto the lake and to the mountains beyond. Guests are also welcome to relax on the loungers scattered underneath the trees in the park. "The hotel on the lake with just that little bit more" offers round-the-clock hospitality and a holiday atmosphere all year round.
