

Hotel Anker

swisshotel

As of December 2016, Boutiquehotel Anker Luzern welcomes you right in the center of Lucerne. The traditional building at the Pilatusplatz opened its doors again after a complete renovation as a modern 3-star boutique hotel. Behind its historic walls, a new and stylish world is born, a symbiosis between tradition and modernity. Surprising details grace the rooms and an extraordinary interior design makes sure each visit becomes an unforgettable experience. Young, fresh, daring and with a tendency to playful nonchalance, the house offers infinite moments of pleasure in the hotel, restaurant or bar. The hotel disposes of 40 rooms with a comfortable size, modern interior design and contemporary technology. Breakfast is included in every room category.
