

Weid adventure farm

Nestled between the lake and the mountain in Kerns is the home of the Spichtig family farm, Erlebnishof Weid.

Various accommodation options are available on the farm. If you want something a little more unusual, you can spend the night in a willow box under the open sky. Or how about sleeping on straw? If you have your own camper, you can also book one of the unique caravan pitches with the most beautiful views of the mountains. For those who like to socialise, there is the mattress dormitory.

Features:

Internet

WLAN (free of charge)
