

Chäserenholz Alpine wellness

Relax, refresh, rejuvenate: in addition to its wealth of cheese, Alp Chäserenholz also offers a range of spa treatments with spectacular mountain views.

A whey bath in a wooden barrel, the outdoor whirlpool and Alpine sauna are ideal for escaping the stress of everyday life and unwinding in pristine natural surroundings, or for relaxing tired muscles after a challenging hike. Pure R&R in the Alps.

Alp Chäserenholz, with its cosy Alpine tavern and excellent cheese, is an easy 20-minute walk from Rigi Kulm.

Enjoy a stress-free journey with our various Online-Tickets, whether you prefer one of our hiking tickets or a Mt. Rigi Railways day ticket - there is a ticket for everyone. Book your Online-Ticket in advance.
