You will simply love Lucerne Lido. The 300-metre sandy beach offers breathtaking views of the Pilatus, Bürgenstock and Stanserhorn mountains as well as the city of Lucerne itself.

Relax on ample, shady lawn areas – only a pathway separates you from the sandy beach. There are lots of quiet spots to chill out within the lido facility.

Swimming pool and playground

When the lake is cool, you can switch to the heated 25-metre pool. The fountain, waterfall and paddling pool are superb fun – not just for the little ones. And there's a generously sized children's playground, too. Enjoy exciting games on the six beach volleyball pitches.

The Lido Restaurant provides a wide range of culinary delights for guests. You can also book it for private events.
