

Lilu Light Festival Lucerne

Lilu Light Festival Lucerne - © Laila Bosco | Luzern Tourismus

In January, Lucerne becomes a luminous meeting place: discover fascinating light installations on a heart-warming winter walk.

At the Lilu Light Festival Lucerne artists from all over the world will present the diverse and fascinating facets of light. Discover creative light installations on a heart-warming winter walk and experience an attractive side programme designed to appeal to all the senses. As soon as it gets dark in Lucerne, squares, sights and alleyways in the old town and around the Lucerne lake basin are artfully illuminated.
