

Stans Music Days

Niederberger, André A.

Ein Musikfestival, das jeden Frühling im Dorf Stans stattfindet.

Every year in the second week of the spring holidays, the Stanser Musiktage transform Stans into a large open-air festival hall. The world as a guest in Stans and Stans on a world tour - the Stans Music Days are the music festival of Nidwalden. Discoveries from the fields of world, jazz, folk and pop music guarantee musical experiences at the highest level.

The Stanser Musiktage is organised as an association and the festival management is responsible for the planning and implementation of the annual festival. A board of directors advises the festival management on the strategic direction.
