Stans station - Wächselacher - Wirzboden - Huebliegg - Stans

The cantonal capital can be viewed from a number of different angles. This two-hour walk is signposted "Rund um Stans" (around Stans) and takes you through residential neighbourhoods, past pretty farmhouses and to the romantic Hueblimatt vantage point. If it's a Saturday morning, fortify yourself for the walk with a visit to the local "Wuche-Märcht" (weekly market), which is held from late April to early November.
