Holzegg

Safety Guidelines:

For your safety - stay on the route!

SVS snow shoe routes are marked, signposted, safe from avalanches and nature-friendly.

Order snowshoe maps from the Swiss Snowshoe Association (www.s-v-s.ch)

Attention:

Leave the route forbidden in the nature reserve and hunting ban area!

Equipment:

Recommended equipment for snowshoe sportsmen:

- Snowshoes, winter shoes (good hiking boots), depending on weather conditions wind jacket, sweater, gloves, cap, sunglasses, gaiters and walking sticks.
- For longer tours rucksack with drink and catering
- We recommend map 1:25000, compass, if available GPS
- Pocket pharmacy and any required medication

Getting There:

A4 exit Schwyz - Rickenbach - Ibergeregg - Oberiberg

A3 direction Feusisberg - Biberbrugg - Gross - Euthal - Unter-Oberiberg

Parking:

At Müller's Posthotel

Public Transit:

From Schwyz by bus to Rickenbach - Ibergeregg - Oberiberg

From Einsiedeln by bus to Gross - Euthal - Unter- Oberiberg

Additional Information:

For the sake of the wildlife:

- Attention: Please respect the recommended game rest zone. In winter, wild animals need quiet retreats to survive.
- Please stay on the route so that the wildlife is not disturbed.
- Please keep your dog on a leash.
