This scenic and challenging hike offers you a variety from straight stretches to steep slopes over hill and dale.

The hike begins with a slight incline at the mountain station of the Urmiberg cable car. The trail continues upwards to the Gätterli, where you can enjoy a breathtaking view of Lake Lucerne and the surrounding mountains. Treat yourself to a break in the Gätterlipass restaurant. Then it's a steep descent to Bärfallen and further down to the Urmiberg valley station.
