Fun nature trail from the Gerschnialp, above Engelberg, through the Gerschni forest down to the Bänklialp.

The single trail starts on the Gerschnialp above Engelberg. The natural trail leads right through the Gerschniwald forest and offers flowing but also some tricky sections. Individual sections can be ridden or jumped depending on your speed and ability - fun is guaranteed. The trail ends above the hotel/restaurant Bänklialp, from where you can return to the village via the road.

Getting there

The easiest way to get to the start of the trail is via the tarred Gerschnistrasse road (you must be prepared for industrial traffic) through the forest, up towards Untertrübsee and on to Gerschnialp: Route Engelberg-Gerschnialp
