Lauerz - Schlüchtli - Ottental - Husmatt - Seematt - Lauerz Cosy circular hike through Lauerz with views to the Rigi and the Rossberg.

Lauerz, the jewel in the sunny heart of Switzerland, lies at the idyllic Lauerzersee and at the foot of the Rigi which invites you to eat, hike, cycle and linger.

On this short hike at the edge of the Lauerz village you will experience the nature near Lake Lauerz with a constant view of the Rigi and the Rossberg with the gigantic demolition of the rockfall of Goldau anno 1806.
