Sledging on the sunny side of Engelberg – the Brunni slopes with gorgeous views of the Titlis are the perfect place to sledge under the sun.

The sunny toboggan run from Brunnihütte to Ristis ensures lots of fun and joie de vivre. From Engelberg train station, take the free local bus to Brunni valley station. The gondola lift takes you to Ristis, where you have to change to the chairlift towards Brunnihütte, the start of the toboggan run. Sleds can be rented here at Ristis in the Yetipark.

Once at the Brunnihütte, there are two different routes that take you back to the chairlift valley station. The toboggan run "Rinderbüel" leads first straight ahead to a sharp left turn and then in direction Hüttismatt further to Ristis and ends at the valley station of the chair lift. The slope is rather easy to ski and also suitable for less experienced skiers, as well as for airboarding and riding "Skigibel".
