Born in Reykjavik, ÁSDÍS was already passionately working on her first song ideas as a little girl. Landing in Berlin a few years ago, which immediately felt "like New York City in the eighties" to her, the multi-instrumentalist (including cello, guitar and piano), known for her incomparable humour, devoted herself intensively to vocal studies and met her future manager Vanessa Kanapin, who helped her land her first publishing deal in 2021. Known for her unusual styles in the studio and of course always up for a prank, she prefers to focus her sheer endless reserves of energy on catchy hooks and melodies that you can't get out of your head. The intensive creative sessions with various songwriters, artists and producers as well as

representatives of the Berlin boutique label WEFOR led to a whole series of great songs, which were then released together with the label. Most recently, ÁSDÍS achieved her first #1 single in the Official German Airplay Charts in 2024 together with Purple Disco Machine and their single "Beat Of Your Heart". A few years ago, her collaboration with Polish DJ Gromee (on "Worth It") reached #1 in the Polish airplay charts and she helped her Canadian colleague Sophie Simmons as a co-writer into the top 10 of the Canadian Billboard charts ("Love Turns Lonely"). Further collaborations (e.g. with Daði Freyr, Say Say, ...) were followed last year by the globally successful hit singles "Release" (with 220 Kid; together 13+ million streams), "WOW" (with Toby Romeo and Keanu Silva; together 28 million) and, last but not least, "Dirty Dancing" (with Glockenbach; Gold Award in Germany) - each of which has since brought her double-digit stream numbers.

Stream numbers in the double-digit million range. "Dirty Dancing" feat. ÁSDÍS has now reached more than 90 million streams and the top 3 of the Official German Airplay Charts, as has her single "Angel Eyes".

Millions of views and streams, a rapidly growing fan base (3.2 million Spotify) who love her voice and charisma.
