

# Certain Skies - Melodic Metalcore aus dem Taunus (Deutschland)

Metal Music

Founded in 2014, the quartet CERTAIN SKIES from the Taunus region is now one of the best-known metal and rock bands in the Rhine/Main region. It consists of remarkably mature composers. The band plays modern, mostly very melodic metal/hard rock, but also often blasts away crisply. Frontman León Carvi Nievas alternates between screaming and singing, which rounds off the charming overall construct perfectly. The fat production allows the two guitars in particular to come into their own. The second CD "The Mirror" was released a few weeks ago. Certain Skies already attracted a large audience on our Museumsuferfest stage last year. We are looking forward to the new songs!

León Carvi Nievas: Vocals, Guitar  
Anton Tsybulin: Guitar  
Dominik Glienicke: Drums  
Philipp Zeiske - Vocals, Bass
