Frankfurt's Christmas market is one of the oldest and most beautiful Christmas markets in Germany. In the middle of the historic old town, surrounded by magnificent half-timbered houses and the imposing Römer, the market shines in festive splendor and attracts visitors from all over the world.

Numerous festively decorated stalls await you, offering a variety of handmade gift ideas, delicious treats and Christmas specialties. Whether it's artistic Christmas decorations, traditional wood carvings or handmade candles - you'll find unique gifts for your loved ones at the Frankfurt Christmas Market.

A special highlight is the large Christmas tree, which bathes the Römerberg in a magical light. The diverse supporting program also creates a festive atmosphere: from Advent concerts and nativity plays to carousel rides for the little ones - there is something for everyone here.
