Behind the name **CLOCKCLOCK** is the singer/songwriter Boki and the producer collective around Mark and Feezy-the trio creates the band's extraordinary **CLOCKCLOCK** songs and energetic sounds. **CLOCKCLOCK's** music is characterised by the emotional honesty of conveying only what is really going on inside them.

CLOCKCLOCK's journey began seven years ago with a jam session in the Palatinate and has so far led to three number 1 chart positions on the radio ('Sorry', 'Someone Else', 'Over'), shows - with P!NK, SIMPLY RED and One Republic, among others - and the first tour, which was paid for out of the band's own pocket.

Never stand still: With their journey, the band also wants to encourage, inspire and, above all, make it clear that it's worth dreaming and giving it your all - with the right people by your side. Because that's exactly what **CLOCKCLOCK** proved with their impressively quickly sold-out 'DREAMERS' tour in January and February 2024.

'DREAMERS' is the band's homage to being lifelong dreamers: **CLOCKCLOCK** show their personal perspective on the world and pave the way for themselves and all other hopeful dreamers into a coming era. 'DREAMERS' is a living concept: Taking up all facets of dreaming - including the challenges and downsides - **ClockClock** want to inspire dreaming and show that no one is alone, not even in the shadowy valleys of the dreamer's existence.

In the open-air season, **CLOCKCLOCK** continue their mission tirelessly: The band inspires in the outdoor months under the star of the 'DREAMERS' summer shows on national and international festival stages as well as with their own headline shows throughout Germany. With the recent release of the 'DREAMERS' tour favourite 'Love U Again' on the set list and more surprises up their sleeves,
