As part of the UEFA Euro 2024 Fanzones, rap crew KINDERS promise an unforgettable party especially for children and their families with their unique participatory hip-hop show. Remmi Demmi and Matti MC will get the young fans dancing, singing and jumping with the energetic beats of Beatboy Olli and catchy songs.

Just in time for the tournament, KINDERS presents two brand new football songs: "Wir sind die 11" and "Straßenkicker". Both tracks reflect the enthusiasm and team spirit that football fever triggers. With "Wir sind die 11", kids belt out the ultimate fan song for the German national team, and "Straßenkicker" evokes the pure joy of playing football on the pitch. These songs are the perfect accompaniment to celebrating the tournament together and loudly supporting the team.

After the show, it gets personal: Remmi Demmi and Matti MC are on hand to sign autographs for their young fans and share their enthusiasm. The KINDERS participatory concerts in the UEFA Euro 2024 fan zones are a must for all kids who love music, hip-hop and football. Be there and experience the unique sound of KINDERS live!
