Frankfurt offers a large fan zone on the banks of the Main for all those who are not in the stadium but still want to enjoy the soccer feeling or those who simply want to experience the international flair in a relaxed atmosphere.

All matches are broadcast on many large screens on the banks of the Main - some of them floating on the river - so that you have the best view from everywhere. With summer temperatures, a cool drink in your hand, a tasty snack and a refreshing breeze on the banks of the Main, the atmosphere is particularly nice. Numerous deckchairs and parasols invite you to linger and relax - until kick-off. When the excitement runs through everyone's limbs, emotions run high and an incomparable atmosphere is created.
