Pulso: Pure Spanish guitar music, performed with passion and artistry. A fusion of Spanish tradition, oriental approaches and relaxed rock and pop music. The Mediterranean flair creates a real vacation atmosphere and is a successful break from everyday life. The focus is on an exuberant atmosphere and authentic music. The concert program consists of carefully selected pieces that promise unique entertainment. The setlist ranges from Manu Chau to Santana and moves between pop, flamenco and progressive rock - all performed in Spanish. The program is modern, relaxed and there is guaranteed to be something for everyone. The sound is acoustic, melodious and skillfully performed. The musicians have a feel for the audience and remain spontaneous in order to bring out the best for each individual occasion. Pulso has been playing for over 25 years. The long existence of the band is based on deep friendships, enjoyment of the music and a high level of professionalism among the musicians. The Andalusian sounds bring oriental charm and a warm atmosphere. This creates a natural and relaxed atmosphere in a very informal way. A Pulso concert stands for fun, Spanish flair and unique lightness. Olé!
