### Sailing on the marvellous Lake Lucerne

Let go of the coastlines, raise the sail, steer the boat, navigate and manoeuvre - or simply sit back and admire the majestic panorama of the Alpine peaks. How active or passive you want to be is up to you and nobody judges you. Sailing on the marvellous Lake Lucerne - it doesn't get much better than this.

Experienced sailors and absolute beginners are equally welcome. And I'm just as happy to handle the boat myself or gently guide you so that you can develop your sea skills and practise safely.
