Winter sports

Small and familiar ski resorts exude a special charm far away from the hustle and bustle - very suitable for leisure skiers and families.

Ski lifts on Mount Rigi can be used free of charge and without ticket control. If you have a valid ticket for the cogwheel and aerial cableways (GA travelcard, 365-day travelcard, route ticket, SBB or mountain railway day pass, etc.), you can ski for free on Mount Rigi.

Rigi Staffel

For the youngest skiers' first attempts on the slopes, it's best to visit the play parks with ski carousels on Rigi Staffel. Skiing has a long tradition there: ski instructors from Norway offered the first lessons in Switzerland on the Rigi back in the early days of this sport on two boards.

Gratalp ski lift

The cosy Gratalp family ski lift is located directly above Rigi Kaltbad. This place is also ideal for children and beginners to learn how to ski and snowboard.

Skiing Rigi Scheidegg/Burgeois

Relaxation and nature. The ski bus from Gersau takes you quickly and easily to Gschwend.
