The enjoyable treasure hunt in Weggis

The well-known folk song says: "From Lucerne to Wäggi, I don't need socks or shoes". We recommend both socks and shoes for this food trail, as you are travelling on foot. In addition to the village of Weggis, you will also experience the surrounding area. You will walk along the lake, through a cooling forest and through landscapes with views of the lake and mountains. Traditional and surprising businesses with a history await you.

- Duration approx. 5.5-6 hours, you are free to organise your own time
- Walking distance approx. 10.5 km, pure hiking time 3 hours
- 5 enjoyment stations
- The documents (the first puzzle) you will receive at the starting point. Please note that the puzzles are all in German
- Groups of up to 6 people: form a puzzle team
- Groups of 7 or more people: form smaller puzzle teams (max. 6 people) on the same trail
- If you are unable to solve a puzzle, use the free emergency text message
