

Winter steam train rides

Individual offer

Winter steam train 17 - © Rigi Bahnen AG, Brigitte Marty

Full steam ahead to the Rigi

Europe's first mountain railway has been running from Vitznau to Mount Rigi since 1871. Locomotives and carriages from the early years have been lovingly and expertly restored.

A ride on the steam train makes the hearts of romantics and nostalgics beat faster. Impressive mechanics, hissing steam, the smell of the coal fire and spraying sparks cast a spell over passengers.
