A walk through the centuries

An exciting journey through the past with more than 100 historic buildings from all over Switzerland. Look over the blacksmith's shoulder as he works at the forge or explore the diverse animal world. Enjoy the cosy Ballenberg side with a barbecue, relax in the flower and fragrance gardens or follow the historical traces during a carriage ride. Gourmets can visit the in-house "Chocolaterie du Ballenberg", enjoy a meal in the cosy dining rooms or take something "homemade" home with them as a souvenir. Diversity Ballenberg - a unique experience!

Places for children and families

For little museum explorers, a great playground and the Ballenberg carousel provide action-packed entertainment. The petting enclosure is no less exciting.
