Forum Schweizer Geschichte Schwyz - © Forum Schweizer Geschichte Schwyz, IG Wiege der Schweiz - info@wiegederschweiz.ch

The Forum of Swiss History is a cultural-historical place of experience with interactive exhibitions and exciting events.

The main exhibition "Origin of Switzerland" shows you the conditions under which the old Swiss Confederation came into being. Designed as an adventure trail, the exhibition makes the visit an experience with impressive room productions. You will be immersed in a bygone world: you will meet a knight on horseback armed for battle, hear a monk dictating in the scriptorium or "tap-dance" on a virtual mule track over the Splügen Pass. At the end of the exhibition, all visitors can dress up as knights, squires or damsels and have their picture taken.

Two temporary exhibitions per year

Selected objects, interactive media stations and information in four languages (D, F, I, E) make the Forum one of the most important cultural history museums in the Alpine region. You can also discover the permanent exhibition with the audio guide of the free "Forum Schwyz" app on your own smartphone (bring headphones). I-Pods with the audio guide are available for rent. In the temporary exhibition in the basement of the museum, current topics are taken up and presented in a timely manner. Exciting guided tours, in-depth programmes and varied events complement the exhibitions. Interesting books and gifts related to the exhibitions can be found in the museum shop. Admission and guided tours are free for Swiss school classes.
