The Gruebi (shelter), just below Alp Chäserenholz, has wonderful views of the Alps of Uri and Schwyz to offer.

The covered barbecue area is equipped with tables, benches and firewood. After a strenuous climb up from Rigi Klösterli, the barbecue area is the perfect place to enjoy lunch or a snack.

The spacious, covered barbecue area is 15 minutes' walk below the Rigi Kulm summit and directly below the Alp Chäserenholz alpine farm.
