

Kayaking

Water sports

Kayak boat hire - © Luzern Tourismus, Andrea Steffen

Kayaking brings you very close to the lake and gives you unrivalled views of nature.

The lake has many faces - sometimes mystical and shrouded in mist, glistening in the glistening sunlight, turbulent in storms and rain, dreamy, mysterious and quiet in winter.

Paddle a kayak to secluded beaches that are inaccessible on foot. Explore small bays and unspoilt natural shores of Lake Lucerne on your own. Take a romantic picnic trip and enjoy the sunset.
