Music connects people and accompanies them through life. Music awakens beautiful memories, strong emotions and long-forgotten experiences.

Kultur Kulinarik Vitznau is a meeting place where the desire for the enjoyment of art, relaxation and new knowledge can be fulfilled under one roof. A place of culture and culinary delights where research, education and development come together. Spaces have been created that offer opportunities for practice-orientated research and teaching. An ambience that inspires through multimedia technology and individualisation of performances, supports the transfer of knowledge and enables new artistic expression.

Chamber Music Hall

The Chamber Music Hall and Multimedia Hall can be hired by event organisers, festivals, schools and music schools to realise their projects.
