The Kurpark is a popular bathing spot, event venue and the ideal place to marvel at the fantastic sunsets.

The beautiful park is located next to the boat station. The well-kept park enchants with plenty of green space, colourful flowers and shady trees. The passing steamboats and the mountain panorama form the perfect backdrop.

Bathing area

In summer, the sunbathing lawn in the centre of Vitznau is a hive of activity. The crystal-clear waters of Lake Lucerne beckon for a refreshing dip and a small bistro offers delicious treats.

Pavilion

The pavilion regularly hosts concerts and performances. The event calendar keeps you informed about all events.

Sunset

When the sun slowly sets on the horizon and bathes the lake and the sky in red colours, the park is particularly beautiful. Treat yourself to a drink from the small bistro and enjoy one of the most beautiful sunsets on Lake Lucerne.
