At the Mooraculum on Rossweid, the theme of moorland can be explored in a playful way. With water play equipment, picnic areas and adventure trails, families will find everything their hearts desire.

A large adventure playground on the theme of "moor and moor landscapes" awaits you directly at the mountain station of the Rossweid Sörenberg gondola lift. Scientific topics are taught in a child-friendly way with puzzles and playful experiments. Ponds with water play equipment, water swings, climbing adventures, a forest of hanging chairs and picnic areas invite you to linger and enjoy.
