**The Oberdorfquai in Weggis has been a trademark of Weggis for a good hundred years.**

With a great deal of pioneering spirit, land was reclaimed from the lake to create a public area where guests and locals can linger in a well-kept environment directly in front of the dreamlike panorama on the lake.

The quay is located right next to the Weggis boat station and offers a beautiful photo opportunity with the pavilion and the many jetties. Colourful flowers, lush palm trees and the mild climate create a Mediterranean flair on Lake Lucerne.
