Schnarwiler Health & Beauty declares war on plastic waste

SWISS MADE refill cosmetics, made in Weggis for a clean world free from plastic pollution.

Love Earth, Love Water, Love Air, Love Fire, Love Face and Love Hands - these are the names of the six refillable body care products that Schnarwiler Health & Beauty manufactures in Weggis.

All products are 100% natural and four of them are also vegan. The products are primarily sold in zero-waste shops and unpackaged shops in Switzerland.

Schnarwiler Health & Beauty is a manufacturer of health, beauty and sleep products. A visit to the manufactory in Weggis is worthwhile.
