Your private wellness facility with its very special charm.

Pure relaxation with a unique ambience. Treat yourself to a few relaxing, undisturbed moments. For three or four hours, in the afternoon or evening, the Wellnesshüsli is all yours.

Facility

The small, detached wellness facility is inspired by the Nordic style of the kotas.

The three kotas built next to each other are designed for a maximum of four guests at a time. They include a sheltered outdoor area.

The interior of the octagonal rooms was finished in the finest, natural Swiss stone pine wood with a log cabin look which gives them a very special ambience with a very pleasant smell.
