### Stocker - naturally better

#### Experience a farm and modern agriculture in one!

The Kirchweg is situated in a sunny location at 550 metres above sea level in the municipality of Greppen Lucerne on the Waldstätterweg. Due to its proximity to Lake Lucerne and protected by our local mountain, the Rigi, we enjoy a mild climate.

Our farm is located in the pre-alpine hilly zone and in mountain zone III, where we cultivate the "Bärgli" in the Rigi area.
