

## Train station Vitznau

Tourist Information

Retail

**Snacks, Ice cream, beverages, souvenirs - there is a lot to discover in the shop at the station in Vitznau. In winter we rent snowshoes.**

In the Vitznau service center, right next to the valley station, you will find an extensive selection of souvenirs. The range is deliberately Swiss. Wherever possible, local and sustainably produced partners are taken into account, and a selection of drinks and snacks is available to satisfy small appetites along the way. Information about the Rigi Adventure Kingdom is available on site and tickets can be purchased directly at the counter.

**Snowshoes can also be hired in winter.**
