Herrenwald. As soon as we reach the barbecue area by the forest, we turn left into the forest and follow the path in a large curve to the right. The forest path leads almost level slightly above the lakeshore to the Helsana Trail junction. We follow the signpost, go up to the right and leave the forest after a few metres. After a short climb we reach the Gerbiweid campsite, pass the greenhouses and the football pitch. At Thermoplan AG, we take the first turn to the right and pass the Hügeri farm again. This time we take the field path straight ahead at the crossroads, walk through the residential area and along Höchstrasse until we reach a small path on the right that leads along a stream to the lake. Here we turn left and walk along the shore back to the Weggis boat station.

Tip:

In the Unterdorf, the All Saints Chapel with its frescoes is worth a visit.
