### Rigi Kulm - Chäserenholz - Rigi Kulm

This snowshoe trail from Rigi Kulm leads you down the valley to Alp Chäserenholz. A little below the alpine farm there is a forest path leads back to Rigi Kulm.

### Central Switzerland: panoramic snowshoe circular hike

On snowshoes you will quickly immerse all your senses in the winter magic of the Rigi. Untouched snowy landscapes entice you to discover Yeti-style tours. A few metres off the beaten track, you will soon have the Rigi all to yourself. Those who prefer to stay close to the signposted and well-prepared winter trails can make a detour into the fresh snow from there.
