Guided Walking Tours

KölnTourismus GmbH - bilderblitz

Dive into the most interesting facets of Cologne's past and present! This tour takes you on a journey through history. You will glimpse into the Roman "Colonia", look into the medieval "city of churches, guilds and merchants" and finally retrace Second World War's destruction and subsequent reconstruction. You will also be introduced to Cologne's modern urban development with its unique lifestyle - the so called "Kölsches Lebensgefühl" (Cologne Spirit) of course. A true highlight of this tour is the World Heritage site: Cologne Cathedral; with its impressive dimensions, its long and complicated architectural history, its fabulous features and some quite odd details: This exterior tour is an extraordinary experience and a perfect preparation or an ideal complement for your selforganized interior tour.
