76,6 km
Distance

3 h
Duration

16 m
Altitude

16 m
Altitude descending

19 m
Highest Point

2 m
Lowest Point

Recommended Seasons:

JAN	FEB	MRZ	APR	MAI	JUN
JUL	AUG	SEP	OKT	NOV	DEZ

The tour was prepared by members of the Leer cycling club. It leads continuously over asphalted, low-traffic streets and allows many insights into the plantings of around 260 tree nurseries in the Ammerland. The stretch of the route in Dringenburg on the Bramkampsweg is particularly recommended for rhododendron lovers. Here you drive directly along the colorful rhododendron fields of the Schröder tree nursery.

Flat with no significant inclines, little traffic
