

Walking tour in the old town - Cologne is a Feeling and Cathedral (without interiors)

Legendary and Local Tours

Discover with us on foot the area in the vicinity of the Cathedral and Old Town. Many of Cologne's most important attractions are concentrated within one square kilometre around the Cathedral, including the town hall and the old town with the Romanesque church of Groß St. Martin. In the old town's narrow cobblestone lanes and lively squares such as Alter Markt, you will get a feeling for life in the Cathedral city past and present.
