

Don't think about tomorrow - Cologne in the 1920s

Guided Walking Tours

Denk nicht an morgen - © Verein Kölner Stadtführer e.V. - Verein Kölner Stadtführer e.V.

World War I is over, but the Rhineland is under British occupation. A young mayor named Konrad Adenauer steers the ship Colonia through the world economic storm. The political and social situation is extreme, but so is the attitude to life. What times! Everywhere there was a smell of new beginnings. People dream of a new, modern, but also better world?
