

The Kölschtour: the beer, the language, the lifestyle

Legendary and Local Tours

Cölnener Hofbräu Früh

During this entertaining walk through Cologne's old town, you'll get to know the many facets of Kölsch. You'll find out what you have always wanted to know about the top-fermented specialty beer and delicacies such as Himmel un Ääd or Kölscher Kaviar. Many enjoy the much-heralded amber nectar fresh from the tap as a quick beer at the bar. That's the best way to experience Cologne's hospitality and lively brewery-pub culture at close range. Where, when and how often we will stop off at a pub, will be determined on the spot.
