Digital Marketing & Expo Conference

The DMEXCO is positioned as a business event for advertising companies, digital professionals, marketers and agency representatives from home and abroad – with a clear focus on communications, information, initial business contacts and business deals. Since it focuses exclusively on trade visitors, the DMEXCO enables an intensive exchange between marketing decision-makers, agencies and exhibitors, while at the same time ensuring high quality contacts. Although initially positioned as a national platform, the DMEXCO is already distinguishing itself because of the extremely high percentage of international exhibitors and visitors.
