

## Swiss City Marathon

**Whether marathon, half marathon, duo marathon or 10km – there is a distance for everyone. More than 30 music ensembles and thousands of visitors will provide entertainment and support along the route.**

With a view of the Chapel Bridge and the Water Tower, runners cross to the opposite side of the lake and pass the famous Culture and Congress Centre Lucerne (KKL). The route continues with a view of the impressive mountain panorama of Central Switzerland along beautiful Lake Lucerne around the Horwer Peninsula. It then leads right through the modern football stadium of FC Luzern, the Culture and Congress Centre in Lucerne and the picturesque old town of Lucerne to the finish line.

Whether marathon, half marathon, duo marathon or 10km – there is a distance for everyone. More than 30 music ensembles and thousands of visitors will provide entertainment and support along the route.
