

Basteltag.ch: Kreativ- und Erholungstag im Naturparadies

Concrete casting & kneading concrete in a natural paradise

Here you will find creativity and relaxation.

You can expect a cozy day of handicrafts and relaxation in a natural paradise with tea, chatting, a fire bowl and, of course, crafting for all you're worth.

Pouring concrete - kneading concrete - fabric painting/clothing upcycling

The craft days are structured in such a way that you can recharge your batteries in addition to crafting and working. The program includes time for you - for a walk through the wild garden, a power nap in the flower meadow, a few rounds of sun salutations or a chapter in your book. The coffee and tea breaks with cozy chats are also part of the program.

Treat yourself to this day of short breaks, be creative, breathe in the fresh mountain air and enjoy cozy and inspiring conversations.
