

"Yoga meets Weggis" Summer Festival

From 31 August to 1 September 2024, the sixth "Yoga meets Weggis" Summer Festival will be held at the Weggis Pavilion.

Enjoy the warming rays of sunshine on your skin, feel the flowing movements in your body, immerse yourself in nature and experience energising moves. Look forward to inspiring yoga workshops, a transformative sound journey, delicious soul food, captivating creative workshops, a diverse selection of yoga gadgets at the Kula Market and enriching conversations in a dreamlike location right on the shores of Lake Lucerne. Take time to be dynamic and present in the here and now, to listen to yourself in silence, to open up and stretch your body and mind.

Like yoga by the sea - only sweeter.
